

Flying Higher

John Whitgift Academy

The Flying Higher Project is the joint NCOP Project run by Delta Academies Trust and Careers Inc. in the North East Lincolnshire Region.

The Aim of the project is to maximise the opportunities for our students to access Further & Higher Education related activities and to break down the barrier for potential participation in FE/HE Post 16. The project focuses on Curriculum Attainment, Aspiration and putting the intended Career Goal at the heart of the Student from an early age.

Students have engaged in 1-2-1 Guidance, Residential Visits, Trips, Tutor Sessions, Step Up Days, Careers Cafes and Inspirational visits to John Whitgift Academy.

Students have access to information in the Careers Hub, Subject Display Boards, Plasma Screens, Careers Inc. Portal, Academy Website, Twitter and the NCOP/Careers Inc. Staff

Month	Activity	Cohort	Description	Outcome
September	CareersInc student weekly meetings	Year 11	CareersInc staff attended and do group meetings addressing career aspirations and myths	Raise awareness of career options. HE/FE & apprenticeships
	CareersInc 1-2-1 student meetings	Year 11 plus LAC	Individual meetings to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships
	Plasma Screens	Whole academy	Whole academy awareness to careers information, HE/FE and upcoming events	Awareness of career opportunities and upcoming events
	National Apprenticeship Show	Year 10	Attendance for year 10 at the National Apprenticeship to show to raise awareness of the varied options available	Increase on apprenticeship applications to avoid NEETs
October	CareersInc student weekly meetings	Year 11	CareersInc staff attended and do group meetings addressing career aspirations and myths	Raise awareness of career options. HE/FE & apprenticeships
	CareersInc 1-2-1 student meetings	Year 11 plus LAC	Individual meetings to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships
	Plasma Screens	Whole academy	Whole academy awareness to careers information, HE/FE and upcoming events	Awareness of career opportunities and upcoming events
	Lincs2 College application assembly	Year 11	Applications for FE/HE & apprenticeships	Continue with 0% NEETS
November	CareersInc student weekly meetings	Year 11	CareersInc staff attended and do group meetings addressing career aspirations and myths	Raise awareness of career options. HE/FE & apprenticeships

	CareersInc 1-2-1 student meetings	Year 11 plus LAC	Individual meetings to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships
	Plasma Screens	Whole academy	Whole academy awareness to careers information, HE/FE and upcoming events	Awareness of career opportunities and upcoming events
	Young Enterprise	Year 8 & 9	Create an opportunity for students to develop their work place skills	Ensure students engage and create a portfolio of their business ideas
	Franklin 6 th Form College assembly	Year 11	Inform students of HE/FE opportunities	Continue with 0% NEETS
	Grimsby Institute College assembly	Year 11	Inform students of HE/FE opportunities	Continue with 0% NEETS
	North Lincs College assembly	Year 11	Inform students of HE/FE opportunities	Continue with 0% NEETS
	Lincs2 College applications	Year 11	Ensure applications are submitted for FE/HE	Continue with 0% NEETS
	National Citizen Service assembly	Year 11	Inform students of the NCS programme.	Programmes that bring different people together to develop their confidence and skills in understanding and connecting with others
	RAF visit Operation X	Year 10	Raise awareness of careers in the military	Allow students to make informed choices around a military career
December	CareersInc student weekly meetings	Year 11	CareersInc staff attended and do group meetings addressing career aspirations and myths	Raise awareness of career options. HE/FE & apprenticeships
	CareersInc 1-2-1 student meetings	Year 11 plus LAC	Individual meetings to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships
	Plasma Screens	Whole academy	Whole academy awareness to careers information, HE/FE and upcoming events	Awareness of career opportunities and upcoming events
January	CareersInc student weekly meetings	Year 10 & 11 plus LAC students	CareersInc staff attended and do group meetings addressing career aspirations and myths	Raise awareness of career options. HE/FE & apprenticeships

	CareersInc 1-2-1 student meetings	Year 10	Individual meetings to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships
	Plasma Screens	Whole academy	Whole academy awareness to careers information, HE/FE and upcoming events	Awareness of career opportunities and upcoming events
	FORCE/NCOP engagement meeting	Staff meet re year 9,10 & 11 engagement		
February	CareersInc student weekly meetings	Year 11 plus LAC	CareersInc staff attended and do group meetings addressing career aspirations and myths	Raise awareness of career options. HE/FE & apprenticeships
	CareersInc 1-2-1 student meetings	Year 10	Individual meetings to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships
	Plasma Screens	Whole academy	Whole academy awareness to careers information, HE/FE and upcoming events	Awareness of career opportunities and upcoming events
February	CareersInc student weekly meetings	Year 11 plus LAC	CareersInc staff attended and do group meetings addressing career aspirations and myths	Raise awareness of career options. HE/FE & apprenticeships
	CareersInc 1-2-1 student meetings	Year 10	Individual meetings to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships
	Plasma Screens	Whole academy	Whole academy awareness to careers information, HE/FE and upcoming events	Awareness of career opportunities and upcoming events
	Forensic CSI Day	Year 9 & 10	Engage students in a challenging event to create teamwork.	Raise the profile of careers within STEM
	Hull University Literacy Day	Year 9, 10 & 11	Engage students who have shown an element of English they wish to pursue in HE/FE	Show students who wish to engage in FE/HE within English of the different elements open to them
	Step Up to Success Day	Year 9 & 10	Enhance students opportunities for the future when working together	Create a team work approach to assist in the educational outcomes
	Exam Stress Evening	Year 11	FORCE presentation on relieving exam stress	Reduce anxiety leading up to exams

March	CareersInc student weekly meetings	Year 11 plus LAC	CareersInc staff attended and do group meetings addressing career aspirations and myths	Raise awareness of career options. HE/FE & apprenticeships
	CareersInc 1-2-1 student meetings	Year 10	Individual meetings to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships
	Plasma Screens	Whole academy	Whole academy awareness to careers information, HE/FE and upcoming events	Awareness of career opportunities and upcoming events
	Careers Week	Whole academy	Information around the academy	Allowing students to make a balanced choice in their chosen career options
	Leicester University Space Centre Visit	Year 9	Engage students who have shown an element of Science they wish to pursue in HE/FE	Show students who wish to engage in FE/HE within Science of the different elements open to them
	National Space Centre Academy visit	Year 9 & 10	Engage students who have shown an element of Science they wish to pursue in HE/FE	Show students who wish to engage in FE/HE within Science of the different elements open to them
	Fix Up Day	Year 9 & 10	Enhance students opportunities for the future when working together	Create a team work approach to assist in the educational outcomes
	Engineering Step Up Day	Year 10 Engineering group	Focused approach on Engineering outcomes	Allow students engaged in Engineering to prepare for further HE/FE and apprenticeships
	Hornsea Windfarm project visit	Year 9 Engineering group	Focused approach on Engineering with a visit to the Hornsea Windfarm Government programme	Allow students engaged in Engineering to prepare for further HE/FE and apprenticeships
	Step Up Day	Year 8, 9 & 10		
April	CareersInc student weekly meetings	Year 11 plus LAC	CareersInc staff attended and do group meetings addressing career aspirations and myths	Raise awareness of career options. HE/FE & apprenticeships
	CareersInc 1-2-1 student meetings	Year 10	Individual meetings to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships
	Plasma Screens	Whole academy	Whole academy awareness to careers information, HE/FE and upcoming events	Awareness of career opportunities and upcoming events

	Tutor Sessions	Whole academy	Tutor group sessions to focus on career opportunities	Raise whole academy awareness of careers
	Bishop Burton residential	Year 11	Focus on Maths/English/Science with a residential	3 days of focussed workshops leading up to exams
	Careers Café	Year 9, 10 & 11	Raise awareness of career options including HE/FE, apprenticeships and employment	Ensure all students in KS4 have the opportunity to meet and engage with HE/FE and employment providers
May	CareersInc student weekly meetings	Year 10 plus LAC	CareersInc staff attended and do group meetings addressing career aspirations and myths	Raise awareness of career options. HE/FE & apprenticeships
	CareersInc 1-2-1 student meetings	Year 11	Individual meetings to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships
	Plasma Screens	Whole academy	Whole academy awareness to careers information, HE/FE and upcoming events	Awareness of career opportunities and upcoming events
	CareersInc parental drop in	Whole academy parents/carers	Individual meetings with parents/carers to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships for adults. Also answer questions on students options
	National Citizen Service student/parent evening	Year 11	Inform parents/careers of the NCS programme.	Inform and finalise details of those engaged on the programme
	Cascaid student enrolment	Year 9 & 10	Enrol students on the Cascaid system	Ensure all students are eventually engaged on the system
	Lincoln University	Year 7	Powering transformation	Raising awareness of HE/FE for year groups
June	CareersInc student weekly meetings	Year 10 plus LAC	CareersInc staff attended and do group meetings addressing career aspirations and myths	Raise awareness of career options. HE/FE & apprenticeships
	CareersInc 1-2-1 student meetings	Year 11	Individual meetings to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships
	Plasma Screens	Whole academy	Whole academy awareness to careers information, HE/FE and upcoming events	

	Careers Café	Whole academy	Raise awareness of career options including HE/FE, apprenticeships and employment	Ensure all students in KS4 have the opportunity to meet and engage with HE/FE and employment providers
	CareersInc parental drop in	Whole academy parents/carers	Individual meetings with parents/carers to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships for adults. Also answer questions on students options
	Website updates	Whole academy	Information displayed for students/parents/carers and outside agencies	Inform all including collaborative partners of the ongoing careers programme
	Lincoln University JWA Journal visit	All students involved in the JWA Journal	JWA journal team to visit and meet HE/FE students, lecturers and journalist	Working in collaboration to produce the JWA Journal
	Lincolnshire Show	Year 7	Students entered into the Lincolnshire show to present their ideas and work on the JWA memorial garden	All year 7 the chance to meet agricultural specialist and engaged with the expected 80,000 visitors to the show
	Hull University Medical Mavericks academy day	Year 9	Engage students in a challenging event to create teamwork.	Raise the profile of careers within the medical field and STEM
July	CareersInc student weekly meetings	Year 10 plus LAC	CareersInc staff attended and do group meetings addressing career aspirations and myths	Raise awareness of career options. HE/FE & apprenticeships
	CareersInc 1-2-1 student meetings	Year 11	Individual meetings to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships
	Plasma Screens	Whole academy	Whole academy awareness to careers information, HE/FE and upcoming events	Awareness of career opportunities and upcoming events
	CareersInc parental drop in	Whole academy parents/carers	Individual meetings with parents/carers to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships for adults. Also answer questions on students options
	Rose Theatre York Romeo & Juliet	Year 9 & 10	Attend the nationally funded show	Engage students in the field of English/Arts/History relating to FE/HE
	Careers Cafe	Whole academy	Raise awareness of career options including HE/FE, apprenticeships and employment	Ensure all students in KS4 have the opportunity to meet and engage with HE/FE and employment providers

	Franklin 6 th Form 2 day taster sessions	Year 10	Taster days for students who will be making decisions on their next HE/FE choices in the academic year 2018/19	Allow a balanced view of education at a leading 6 th form college
	STEM Staff Open Day	Staff	Staff to attend and view opportunities for academies within the area and links to BAE	Raise awareness of career opportunities and academic visits
	NELC Careers Fair	Year 10	Half day careers fair	Local careers fair to allow students to engage with HE/FE, apprenticeships, traineeship providers and employers.
August	GCSE Results day	Y11	Careers Inc Advisers, Heads of Sixth Form and Tutors will be on site to offer 1-2-1 Guidance for next step destinations.	0% NEET KS4 Focus on Career and steps to HE
	CareersInc 1-2-1 student meetings	Year 11	Individual meetings to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships
	Plasma Screens	Whole academy	Whole academy awareness to careers information, HE/FE and upcoming events	Awareness of career opportunities and upcoming events
September 2018/19	ESH Construction	Year 9 & 10	5 x 1-hour long employability guidance sessions, each delivered by a different business guest who provides insight into their career path, their sector and employability skills they value. Guest speakers also provide support with the completion of a 'checkpoint' – a piece of the student's employability portfolio	Raise and inspire students with their career choices. Enhance their opportunities with the next steps after leaving secondary education
	CareersInc 1-2-1 student meetings	Year 11	Individual meetings to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships
	Plasma Screens	Whole academy	Whole academy awareness to careers information, HE/FE and upcoming events	Awareness of career opportunities and upcoming events
	National Apprenticeship Show	Year 9	Attend the NAS that runs nationwide	To attend and engage with all providers as part of the national apprenticeship show

October	Green Port careers fair	Year 9, 10 & 11 females	Engaging females into engineering	Allow a balanced opinion when coming to making career choices within the engineering field
	CareersInc 1-2-1 student meetings	Year 11	Individual meetings to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships
	Plasma Screens	Whole academy	Whole academy awareness to careers information, HE/FE and upcoming events	Awareness of career opportunities and upcoming events
November	Bletchley Park & Cambridge University	Year 9, 10 & 11	Students studying Maths/History attend and take part in an educational programme at Bletchley Park. A 2 nd day visit to Cambridge University then follows	Raise aspirations of students
	National Citizen Service student/parent evening	Year 11	Inform parents/careers of the NCS programme.	Inform and finalise details of those engaged on the programme
	NCOP Learn by Design STEM	9 & 10	The programme is designed for year 9 or 10 students to inspire them about STEM careers, both locally and Nationally.	Prepare students for making informed decisions about their future
	Discover US Sheffield University	4 x year 9 Shine students	1 year programme of events both online and in attendance at Sheffield University	Raise awareness and knowledge of FE/HE and the possibilities to students and their families
	CareersInc 1-2-1 student meetings	Year 11	Individual meetings to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships
	Plasma Screens	Whole academy	Whole academy awareness to careers information, HE/FE and upcoming events	Awareness of career opportunities and upcoming events
	Careers Café (STEM & Engineering)	Whole academy	Raise awareness of career options including HE/FE, apprenticeships and employment	Ensure all students in KS4 have the opportunity to meet and engage with HE/FE and employment providers
	Marginal Gains Programme	Year 9 boys	Select group of boys identified as at risk from underachievement	Raise aspirations and self-belief.

	Careers Café (Health & Social Care)	Whole academy	Raise awareness of career options including HE/FE, apprenticeships and employment	Ensure all students in KS4 have the opportunity to meet and engage with HE/FE and employment providers
	Tomorrows Engineers	Year 9 Engineers	All aspects of engineering discussed and practical tests completed by students	Engineering students made aware of the different aspects engineering can lead to
December	University Space centre	Year 9	Students are involved in practical experiments relating to STEM	Raise awareness of STEM events and the ongoing careers opportunities
	CareersInc 1-2-1 student meetings	Year 11	Individual meetings to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships
	Plasma Screens	Whole academy	Whole academy awareness to careers information, HE/FE and upcoming events	Awareness of career opportunities and upcoming events
	Discover US Sheffield University	4 x year 9 Shine students	1 year programme of events both online and in attendance at Sheffield University. 1 day visit to Sheffield	Raise awareness and knowledge of FE/HE and the possibilities to students and their families
	University of York physics workshop	Year 9 STEM high ability	1 day programme run by the University of York designed to target Physics students	Raise awareness of FE/HE based around science and physics in particular.
	Careers Café (IT and Design)	Whole academy	Raise awareness of career options including HE/FE, apprenticeships and employment	Ensure all students in KS4 have the opportunity to meet and engage with HE/FE and employment providers
	National Citizen Service student/parent evening	Year 11	Inform parents/careers of the NCS programme.	Inform and finalise details of those engaged on the programme
	Graduate Aspirations Assembly	Year 9 & 10	Local graduates attend and address the year groups 9 & 10 regarding graduate opportunities to local students	Inform students of the opportunities open to graduates from the local area and what this can lead to in the local and regional areas
	Crumble Workshop (4 week programme)	Year 9 STEM high ability	Aim of the workshop – is to engage learners with programming through using microcontrollers	Talk to and inform students about HE routes and what engineering and computer science looks like at degree level.
	Marginal Gains Programme	Year 10 boys	Select group of boys identified as at risk from underachievement	Raise aspirations and self-belief.

January	Leicester University Space centre	Year 9		
	CareersInc 1-2-1 student meetings	Year 11	Individual meetings to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships
	After academy day weekly 'Careers drop in shop'	All year groups	AN opportunity for any student/parent to drop into the careers hub and discuss issues relating to careers	Direct careers advice and guidance to students and family members
	Plasma Screens	Whole academy	Whole academy awareness to careers information, HE/FE and upcoming events	Awareness of career opportunities and upcoming events
	Forensic CSI Day	Year 9 & 10	Engage students in a challenging event to create teamwork.	Raise the profile of careers within STEM
	Crumble Workshop (4 week programme)	Year 9 STEM high ability	Aim of the workshop – is to engage learners with programming through using microcontrollers	Talk to and inform students about HE routes and what engineering and computer science looks like at degree level.
February	After academy day weekly 'Careers drop in shop'	All year groups	AN opportunity for any student/parent to drop into the careers hub and discuss issues relating to careers	Direct careers advice and guidance to students and family members
	CareersInc 1-2-1 student meetings	Year 11	Individual meetings to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships
	Plasma Screens	Whole academy	Whole academy awareness to careers information, HE/FE and upcoming events	Awareness of career opportunities and upcoming events
	Crumble Workshop x 3	Year 9 Shine		
	Professor Brad Gibson	Year 8 & 9 assemblies	One of the country's most influential scientists, his 300 publications have amassed 20,000 citations from his peers. His research was named a Top 10 News Story of the year by National Geographic; with the Hubble Space Telescope, he determined the expansion rate of the Universe, for which his team was awarded the Gruber Prize in Cosmology. Brad discovered that our Milky	Raise awareness of science and the possibilities in the future relating to science and its related subjects

			Way is cannibalising its neighbours, the Magellanic Clouds. A world-renowned expert in using supercomputers to model the distribution of chemical elements throughout the Universe, Gibson's team are Hull's research stars.	
March	Franklin 6 th Form & partners	Year 9 & 10	Pupils attending the event will be able to take part in up to three 30 minute active workshop sessions from a selection of around 30 being delivered by Higher Education Institutions, Employers, STEM-related charities, Public Bodies and Public Service Organisations.	Raise the profile of careers within STEM
	Steps to Success	Year 8	Presentation from Hull University	Advice and guidance leading up to Options evening for the whole year group
	National Careers Week			
	Franklin College	Year 7 – 10	Presentation on college/University/apprenticeships etc	Presentation to Shine students leading to further information for future aspirations.
	York University Trip	Year 9	Visiting York University English Department	To attend at York arriving at the designated time. Meet and greet tutors and students then the opportunity to see how the English department of a university is structured. Further opportunities will be given to tour the campus.
	CareersInc 1-2-1 student meetings	Year 11	Individual meetings to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships
	Plasma Screens	Whole academy	Whole academy awareness to careers information, HE/FE and upcoming events	Awareness of career opportunities and upcoming events
	After academy day weekly 'Careers drop in shop'	All year groups	AN opportunity for any student/parent to drop into the careers hub and discuss issues relating to careers	Direct careers advice and guidance to students and family members

	Careers Café (Uniformed Services)	Whole academy	Raise awareness of career options including HE/FE, apprenticeships and employment	Ensure all students in KS4 have the opportunity to meet and engage with HE/FE and employment providers
	Skills Humber 2019	Year 10 & 11	Careers fair that covers the entire Humber region	Raise awareness of careers within the Humber region
	Royal Marines Educational Awareness Team	Year 9 & 10	Presentation from the Royal Marines for those who show an interest in the Armed Forces as a potential career.	Royal Navy/Royal Marines opportunities, live cooking demo, food and nutrition, breakfast in the morning, sugar in energy drinks, ration pack (how we fuel), life story, chat and questions.
	Discover US Sheffield University	4 x year 9 Shine students	1 year programme of events both online and in attendance at Sheffield University. 1 day visit to Sheffield	Raise awareness and knowledge of FE/HE and the possibilities to students and their families
	NCW	Whole academy	5 different sets of assemblies and classroom activities	Areas relevant to different year groups to ensure their awareness of careers is raised.
	Crumble Workshop x 1	Year 9 Shine		
April	After academy day weekly 'Careers drop in shop'	All year groups	AN opportunity for any student/parent to drop into the careers hub and discuss issues relating to careers	Direct careers advice and guidance to students and family members
	CareersInc 1-2-1 student meetings	Year 11	Individual meetings to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships
	Plasma Screens	Whole academy	Whole academy awareness to careers information, HE/FE and upcoming events	Awareness of career opportunities and upcoming events
	Intervention residential	Year 11	Whole academy invited to attend fully paid 3 day intervention session at Kingswood, Dearne Valley Doncaster	Allow students to get a fully structured 3 days of dedicated intervention and confidence building.
May	After academy day weekly 'Careers drop in shop'	All year groups	An opportunity for any student/parent to drop into the careers hub and discuss issues relating to careers	Direct careers advice and guidance to students and family members

	Work experience CATCH	36 year 9 students	2 day work experience opportunity held at CATCH and delivered as part of North Lindsey College	Engineering students had the opportunity to attend the leading training provider for engineering in the area. All aspects work discovered and delivered as part of the FORCE funding.
	Flying High	15 year 10 students	2 day insight into STEM mainly around aircraft engineering opportunities	2 days spent at a local airfield where aspects of engineering involved in flight were discovered. As part of the deliver students were offered a 3 flight glider experience.
	JWA Journal Day	All students involved in the JWA Journal	JWA journal team to visit and meet HE/FE students, lecturers and journalist	Working in collaboration to produce the JWA Journal
	CareersInc 1-2-1 student meetings	Year 11	Individual meetings to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships
	Plasma Screens	Whole academy	Whole academy awareness to careers information, HE/FE and upcoming events	Awareness of career opportunities and upcoming events
June	After academy day weekly 'Careers drop in shop'	All year groups	AN opportunity for any student/parent to drop into the careers hub and discuss issues relating to careers	Direct careers advice and guidance to students and family members
	CareersInc 1-2-1 student meetings	Year 11	Individual meetings to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships
	Plasma Screens	Whole academy	Whole academy awareness to careers information, HE/FE and upcoming events	Awareness of career opportunities and upcoming events
July	After academy day weekly 'Careers drop in shop'	All year groups	AN opportunity for any student/parent to drop into the careers hub and discuss issues relating to careers	Direct careers advice and guidance to students and family members
	Franklin College	Year 10	Taster days relating to subjects on offer at Franklin College	Awareness of subjects in HE and Apprenticeships on offer at Franklin College
	NELC Careers fair	Year 10	Half day careers fair	Local careers fair to allow studnets to engage with HE/FE, apprenticeships, traineeship providers and employers.

	CareersInc 1-2-1 student meetings	Year 11	Individual meetings to assist in career choices	Raise awareness of career options. HE/FE & apprenticeships
	NHS Careers visit	15 x Year 10 students	Careers Fair held at Diana Princess of Wales Hospital	Raise awareness of career options in the National Health Service.
	Plasma Screens	Whole academy	Whole academy awareness to careers information, HE/FE and upcoming events	Awareness of career opportunities and upcoming events
September 2019/20	Stress Management	Year 11	Information and guidance from HE/FE providers	Prepare students for better outcomes leading into year 11
	Revision Techniques	Year 10/11	Information and guidance from HE/FE providers	Prepare students for better outcomes leading into year 11
	Positive thinking	Year 9/10	Confidence building	Develop skills for those lacking in confidence and resilience
October	WiME	Year 10/11	WiME (Women into Manufacturing and Engineering) is an initiative in the Humber to encourage females into the industry. With great pay, a high number of vacancies and attractive prospects, careers in manufacturing and engineering present a wide variety of interesting and exciting roles, which play an important part in our economy	Opportunity to attend presentation on behalf of the Humber Dr. Kirsty Clode and the WiME businesses.
	Softs Skills building	Year 9	Team building and leadership presentation and workshop	Prepare students for life outside of secondary education
November				
December				
January	Destination package	Year 9/10/11	Review options of Post14/16 options	To give students the best opportunities and advice when making selections for education/career steps
	Russell Group presentation	Year 10/11	Overview of Russell group opportunities	To give all students the opportunity to understand what Russell groups can offer
February				
March				

April	Interview skills	Year 10	Expert advice on interview techniques and preparation	To ensure all students are focussed and ready for their next steps into Post 16 options
