

## Careers Entitlement

---

As a student at John Whitgift Academy you are entitled to a careers education and guidance programme which:

- Is personal to you and always puts your interests first
- Motivates and inspires you to consider all opportunities both within and outside The Academy.
- Helps you to gain the skills you need to make your career ambitions a reality
- Provides the support you need to be successful
- Helps you access any additional support you might need
- Is delivered by trained and qualified teachers and advisers, with up to date knowledge and understanding of career pathways and local labour market information
- Protects and respects your personal information and shares it only with your consent

# Student and Parent Guide to Careers Education Information and Guidance

# CEIAG at John Whitgift Academy

---

## **What is CEIAG?**

CEIAG is the support in place to help you and your child make informed decisions about their future.

The careers education and guidance programme at the academy seeks to positively support you to acquire the educational, social and employability skills necessary for lifelong learning success in a diverse and changing world of work. At John Whitgift Academy we strive at all times to conform to the current “best practices” in Careers Education, Information, Advice and Guidance laid down by the government

## **Who can help me make my decisions?**

Although the choice is yours do not forget to seek advice from parents and teachers, or book an appointment with CareersInc. The local colleges and universities are a great resource—attend an open event!

## **Who are CareersInc?**

CareersInc is an external, independent and impartial careers guidance service who will support you to aim high in your career goals and aspirations. They provide high quality Careers Information, Advice and Guidance (CEIAG) to all students.

Our adviser is Vanessa. She is very experienced in providing independent, professional advice and guidance. She is in the Academy on Wednesdays. Students can book one to one interviews in advance through Mr Tuffnell or attend a drop in session at 2.30pm.

[www.careersinc.uk@johnwhitgiftacademy](mailto:www.careersinc.uk@johnwhitgiftacademy)

Throughout the year CareersInc run workshops, this year these have included

- Applying for Apprenticeships
- Applying for College
- Aim Higher—University opportunities

## **Working with local employers**

CareersInc works with local employers to provide support with understanding the world of work, making applications and preparing for interviews.

## **Working with local colleges**

CareersInc works with the local colleges and sixth forms to support students with their transition in to further education. The academy’s students visit taster days and colleges regularly come in to the academy to give presentations, take part in events and provide drop-in advice surgeries.

## **The Importance of Open Evenings**

Colleges and training providers run regular open evenings. Students are encouraged to attend a range of Open Evenings along with their parents or carers so that they can contrast and compare the offers.
